Ruby Valley Medical Center Announces New Clinic in Twin Bridges to Meet the Needs of the Community

**Twin Bridges, MT – [9/19/24]** – Ruby Valley Medical Center (RVMC) is proud to announce the opening of a new clinic in Twin Bridges to better serve the growing healthcare needs of the residents. This new facility is part of RVMC's ongoing mission to provide high-quality, accessible healthcare to communities across the Ruby Valley and surrounding areas. The new Twin Bridges Clinic will be strategically located on Main Street to offer convenient access to patients, and will offer a comprehensive range of medical services, including:

- **Primary Care:** Offering routine check-ups, preventative care, and management of chronic conditions.
- **Diagnostic Imaging:** Ultrasound and Echocardiograms will be available as well as X-Ray Imaging.
- **Specialty Consultations:** Providing access to specialists in the field of geriatric care, osteopathic and chiropractic care, and women's health.
- **Telemedicine Services:** Enabling patients to consult with healthcare providers off-site, increasing accessibility and reducing travel times.

### **Expanded State-of-the-Art Facility**

The new facility features modern equipment, expanded exam rooms, and comfortable waiting areas designed to enhance patient experience. With the expansion, RVMC is also adding new healthcare providers to meet the growing demand, ensuring shorter wait times and more personalized care.

### **Commitment to the Health and Vitality of Twin Bridges**

*"We are thrilled to be developing the Twin Bridges Clinic and expand our reach to provide even more comprehensive care to Twin Bridges,"* said Jim Gillhouse, CEO of Ruby Valley Medical Center. *"This expansion reflects our commitment to ensuring that Twin Bridges residents have access to top-notch medical services close to home. We are proud to continue growing alongside the community and look forward to serving more patients in the years to come."*
